Additional Information

Wedding Ceremony and / or Reception Information

Your wedding ceremony will include appropriate rehearsal time for you, your officiate, and your Wedding Planner to coordinate all of the aspects of set-up, detailing of the ceremony and staging that may be required for your musicians and personal touches.

To make your day even more special, a personal wedding attendant will be assigned to liaise with the key departments of the hotel to care for your every need to allow you to fully enjoy your day worry free.

Wedding Attendant Fee (required) \$250

This service begins approximately 1 hour prior to the onset of your event through cocktail hour.

Food and Beverage Minimum

A minimum food and beverage purchase of \$8,000 (plus service charge and sales tax) is required. This is a guideline of what you will need to spend for a wedding and/or reception and is not a package based on any particular menu, minimum guest count of 50.

Deposit Schedule

The initial deposit of \$2,500 is non-refundable and guarantees your date. At contract signing, the balance of 25% of the estimated reception fee is required. A second deposit is required 60 days prior to the event date in the amount of 50% of the estimated remaining balance. The estimated final balance of your event, based on actual food and beverage selections and all related costs, is required 30 days prior to your event.

Floral Arrangements, Photography, Entertainment

Our Director of Catering and Events will provide you with a list of our Preferred Vendors at contracting. We will assist with scheduling your entertainment, floral arrangements, ice carvings, photographers and videographers from this list. We can also suggest notaries and officiates. Hawks Cay strongly recommends the contracting of a Wedding Planner. The Wedding Planner will assist you with the finite details of your special day, from its inception, to planning through the farewells.

In-house Wedding Planner fee is \$1,500 (after five hours) and includes menu planning, service coordination, scheduling and communication with bride and groom and planners.
