## MEET OUR BARTENDERS

**Sarah Holloway:** Visit Sarah at Beach Grill Bar and you're likely to hear classic rock playing in the background –because as she says, “it speaks to everyone from everywhere.” Nothing like a Rolling Stones jam to get the bar groovin', right? Sarah can make you just about any drink you want, but her favorite is a classic Caipirinha. She takes pride in making this classic cocktail, which she feels embodies the “essence” of what a tropical drink should be. It is, after all, the national cocktail of both Brazil and Peru! Stop by and try this native Floridian's delicious concoctions!

**Chris Lordi:** You can't help but be in a good mood when Chris is serving you drinks at the Beach Grill Bar. He'll whip you up a refreshing classic mojito – Chris' favorite cocktail – as you take in the stunning ocean views “from his office.” While he's tending bar this Hollywood, Florida native likes to keep the happy vibes going with sounds from Jack Johnson, Dispatch and OAR, just to name a few. Stop by and visit Chris for cool cocktail!

**Jacynthe Richmond:** Jacynthe has found paradise at the Beach Grill Bar and she'll make you a believer too! She moved to the Keys based on the recommendation of a fellow Quebecian and hasn't looked back. Jass, as she's called by friends, found a job at Beach Grill, a place to stay in the islands, and made the leap from Canada to the Keys.

Because of her love for tropical flavors, mangos especially, her favorite drink to mix is the mango mojito. Stop by and enjoy a drink in paradise with Jass!
