

FLORIDA KEYS MARINA AT HAWKS CAY RESORT

Midway down the Florida Keys, there's a place where boaters gather to celebrate the sea. An island retreat where cruisers, sailors, anglers and divers come to refuel, reload and relax. It's a place where you can tie up and toss your worries overboard. Where fresh seafood simmers on the grill at Tom's Harbor House Restaurant; where in the evenings you can sip champagne as the bright sun dissolves into the calm Caribbean waters; and where laid-back luxury is more than just a promise, it's a way of life.

This exotic locale is Hawks Cay Marina, and it's your Florida Keys boating destination for good times, friendly faces, and world-class service and amenities. Hawks Cay Marina features 85 slips and can accommodate vessels up to 110 feet in length, as well as boat in/boat out service and dockage for resort guests who wish to trailer their boat to the Keys.

All overnight boaters have access to Hawks Cay's pools, restaurants and attractions, and are just minutes away from some of the best fishing and diving opportunities in the world.

So chart a course for waypoint N24° 45' 48' W80° 54' 40'. We anxiously await your arrival in the beautiful Florida Keys.

A minimum of 50% of the slips within this dockage facility are available for rental by the general public on a first come, first served basis.
