

Fishing Charters

A truly memorable day should enhance your group experience and encompass key elements – blue water, fresh air, camaraderie, competition and cold beverages. Fishing together fosters a true connection between friends and family while it refreshes the spirit. What could be better? Celebrate the day together and create lasting memories. Chase sailfish, marlin, tuna, mahi-mahi; or reef fish for delicious snapper, grouper and kingfish.

You and your guests merely shows up at the Hawks Cay Marina, and our fishing experts take over. Board the Tailwalker, Final Final or a host of other sport fisherman boats equipped with air-conditioning, tuna tower, and all the comforts of home for a day of sun and fun. Top it off by an evening of culinary delights – and your group provides the fish!

The fun doesn't stop when the boats come in, as your group will enjoy photo ops with your catch of the day, weigh-ins, awards for Biggest Catch, Most Unique Catch, Biggest Fish Tale Story of the Day and more.

As the fish are cleaned (and so are the guests?), our culinary team prepares your catches along with a sumptuous buffet served along the Marina deck. Fishing tales will be passed like a salt shaker all night long with lots of laughs and congratulations.
