

# HAWKS CAY® EXPERIENCE

## Blue Ocean Strategy

A warm sea breeze blows through your Florida Keys conference room. To your left, a pod of Atlantic bottlenose dolphin play in the clear azure waters and race after scurrying baitfish. To your right, a large loggerhead sea turtle comes up to take a curious look around.

Your colleagues are relaxed, inspired, and ready to tackle the task at hand in this team-building and interactive experience aboard *Blue*. Imagine the look on your guests' faces when they show up for their meeting, pen and paper in hand, and are escorted aboard Hawks Cay's spacious 63' Catamaran. Talk about a meeting that motivates your group to think outside of the box!

Have you ever read about those destination resorts that claim meeting space with a "spectacular view?" Just wait until you step aboard *Blue*, Hawks Cay's on-the-water boardroom.

Your meeting aboard *Blue* is sure to inspire creativity in your employees and impress your clients. This is one great opportunity you won't want to miss!
