## Hook & Cook

The Hawks Cay recipe for a successful team-building experience begins with the warm, tropical atmosphere, and the sunlight reflecting off clear blue water. A bit of group competition, mixed with sheer camaraderie, is an unmatched excitement of reeling in trophy game fish.

There's no better way to refresh your guest's spirits than by spending a day fishing in the waters of the Florida Keys. Our fleet of charter fishing boats is equipped with air-conditioned cabins and manned by the most knowledgeable captains in the Islands.

Imagine taking a day from your meetings to travel into the ideal conditions as you chase sailfish, blackfin tuna, mahi mahi, snapper, kingfish and more. The day's mission will be near complete when you arrive back at Hawks Cay Marina to show off your extraordinary catch. Our dedicated team will photograph you with your group's catch and present awards for largest fish, most unique species caught, and best fish tale about the one that got away (there's one in every group)!

Hawks Cay will add the finishing touches to your remarkable day with an evening of culinary delights, featuring a sumptuous waterfront buffet, highlighted by the delectable fish caught by your team.

Share some laughs, exchange a few stories, enjoy a wonderful seaside dinner, and celebrate the individual and team accomplishment of battling hard-fighting fish in the Florida Keys.
