

# HAWKS CAY® EXPERIENCE

## Lunch with Dolphins

Enliven your group with a truly unforgettable Florida Keys experience that will exceed all expectations—enjoy a gourmet lunch with the dolphins!

Your party will enjoy a dockside lunch while observing Hawks Cay's playful pod of Atlantic bottlenose dolphins. These graceful and intelligent marine mammals will demonstrate their high-flying acrobatics to create a memorable experience that your group will never forget!

During lunch, a member of the Dolphin Connection team will join your guests to provide information about our dolphin family, as well as to inform them on ways they can help protect and conserve the fragile ecosystem of the Florida Keys.

Once your group meets these magnificent creatures, and witness their amazing talents, they'll be ready to tackle any task at hand. Lunch with dolphins is a unique and inspirational opportunity found only at Hawks Cay Resort!

*The Dolphin Connection is an accredited and recognized leader in the advancement of marine mammal education, breeding, and research techniques. Since the Dolphin Connection's inception at Hawks Cay Resort in 1990, they have raised multiple generations of dolphins in the large salt water lagoon, and have helped visitors to the Florida Keys gain a better understanding of the Atlantic bottlenose dolphin and the impact we have on their marine ecosystem.*
