

## *A Day at Calm Waters Spa*

As you open a new chapter in your life, let your friends and family join you to celebrate and embrace your new journey. There is no better way to do this than by hosting a spa party.

Our Spa parties provide a transitioning ritual that will create lasting memories to cherish for years to come.

Give the most important women in your life a chance to listen, laugh and bond all while spending this special moment together for your special day.
