Soldiers and other brave men and women will be shown some love at Hawks Cay Resort, Villas and Marina during the resort's Heroes Salute program from Aug. 17 through Nov. 23.

The program offers active and retired members of the military, fire and rescue, law enforcement and medical personnel special discounted room rates starting at \$119 a night, discounts on resort activities and weekly tribute events. The highlight of the program, the annual Heroes Salute Tribute Weekend, will be held over Labor Day weekend, Sept. 4-7. Activities will include a red, white and blue 5K Run/Walk; a Touch-A-Truck event; an all-American barbecue; a special tribute ceremony with Color Guard and fireworks; and a live music concert with Keys musician Howard Livingston.

Hawks Cay on Duck Key recently completed a multimillion renovation. New offerings include The Oasis, an adults-only area with five private cabanas at the Tranquility Pool; Coral Cay, an updated activities and adventures center for all ages; and the refreshed Calm Waters Spa, where heroes will receive spa treatment discounts. Additional special offers will be available for dive excursions, Dolphin Discovery and Dockside programs through the on-site Dolphin Connection facility, Segway tours, fishing charters, dockage at the Marina and Camp Hawk for kids.

The \$119 nightly starting room rate is only available to heroes and their immediate traveling party, but the resort is also giving civilians the opportunity to receive a 20 percent Heroes Supporter discount by donating \$5 or more to Firehouse Subs Public Safety Foundation. The discount is valid for stays from Aug. 17 through Nov. 23.

Hawks Cay will be hosting a weekly Heroes in Action ceremony to pay tribute to those in service. The event will also allow guests the opportunity to submit images of their heroes via social media to be included as part of the ceremony. To submit images of a hero staying at Hawks Cay for the weekly tribute ceremony, email socialmedia@hawkscay.com.
