

The World's Best Hotels and Resorts for Families

Every year for the [World's Best Awards](#), *Travel + Leisure* asks readers to rank travel experiences across the globe — to share their opinions on the top hotels, resorts, cities, islands, cruise lines, spas, airlines, and more. Readers taking the WBA survey considered how well hotels of all stripes — from ultra-luxe safari lodges to ski resorts and all-inclusive island escapes — cater to families. (The 2019 survey is still open, and you can [vote for your favorites](#) until March 4.)

The most recent list of picks reflects several iconic domestic destinations — including Florida, the Caribbean, and New England — along with other choices much further afield, in places like Rivas, Nicaragua, and Bangalore, India. But regardless of the geography, it's clear that T+L readers prioritize a constellation of activities, family-friendly amenities, inventive children's and teen programming, and accommodations that work for groups of all ages and sizes. Here, the Top 50 family-friendly properties around the world as chosen by T+L readers.
